Free Standing - Optional - C	80 - 90cm (32 - 63")
Packed Weight	67kg (147lbs)
Packed Dimensions	1 Box Only: 231x40x30cm (91x16x12")

Cost-effective solution

Double tool head

- Cutting blade and scoring blade permanently mounted for instant use.
- Uses off-the-shelf-blades - no costly specialist blades required.

Cut heavy-duty materials

Twin wheel cutter for tougher materials including Dibond and MDF

- Cuts 3mm Dibond or 3mm MDF in a single pass producing a clean, safe edge.
- Noiseless and dust-free.

Consistent perfect cuts

Unique pressure sensitive clamp

- Powerful clamping holds tough materials precisely for a perfect cut.
- Touch-sensitive control clamps delicate or printed materials gently without damage.

Perfect alignment - no fuss

- Keencut's sightline strip gives total accuracy with a single cut line.
- No set-up. No adjustment. No unpredictable, expensive lasers.

Safety by design

- **Automatic blade disengagement.**
- Blades securely mounted with a safety lock.
- Counterbalanced cutter head.

Simple operation

- **Telescopic legs** for height adjustment to reduce user fatigue.
- **Quick set production stops** to achieve the same cut every time.
- **Cutting tools** permanently fitted for quick engagement.

Engineered for accuracy

- Precision system for fast 90-degree squaring on initial set-up.
- One-piece horizontal squaring arm to provide perfect alignment and rigidity either side of the cut line.

OPTIONAL EXTRAS AND ACCESSORIES

Free Standing Kit

- Ideal for when wall space is limited or flexibility of machine placement is required. Bolts directly to the back of the machine to produce a rigid and stable free-standing unit engagement.

Keencut products have a reputation throughout the world as the most accurate and durable cutting machines on the market. Manufactured from the finest materials and with the latest technology to ensure the highest quality and reliability.
